10. The school supports my child's wider personal development.	66%	28%	4%	1%	1%
11. When I have raised concerns with the school they have been dealt with properly.	64%	27%	1%	1%	7%
12. I would recommend this school to another parent.	76%	21%	1%	1%	1%

A questionnaire was completed with a total of 159 responses. The questions were in English and Urdu.

As can be seen from the table above the responses were very positive. The % above were calculated before individual parents were contacted who had responded with disagree or strongly disagree.

Any response where a parent had responded with disagree or agree has been followed up by school. In the majority of cases parents had completed the questionnaire incorrectly and had meant to write agree or strongly agree.
