

## Sunning Hill Primary School - Governing Body Information November 2025

Sunning Hill has a committed Governing Body with several long-standing members and some new additions. We are fortunate to have people with a broad range of skills, knowledge and expertise, from a range of different backgrounds. All members of the Governing Body seek to support the school's aims and values.

The role of the governors is to work alongside the school to provide strategic direction and to offer challenge and support to raise standards. The school and Governing Body work closely to ensure the best for all members of the school community.

The new constitution of the Governing Body was agreed at the October term meeting, 2014.

*Please note that the role of the governors is a strategic role. It is not the role of individual governors to raise complaints with the school. If a parent has a concern, they should raise this with the school in line with the school complaints procedure.*
