### **School Attendance Update**

#### **Half Termly Attendance Award**

Well done to 4J who won the half termly attendance award for the last half term. They will get to visit the park in the next few weeks.

Who is going to win the best class attendance for the first half of the summer term?

#### **Spring Term Attendance**

**95.4%**

It is really important that your child attends school every day. If they are feeling a little unwell and have a cough or a cold please send them into school. If they continue to feel unwell we will contact you and ask you to collect them.

Miss Whalley is unable to authorise any holidays during term time. If your child has more than 10 sessions (5 unauthorised days off school) then each parent will receive an £80 fine per child.

### **Spring Term visits and visitors**

During the spring term we had several visitors into school. Whole school workshops were delivered by the fire service on fire safety and leisure services provided a workshop on water safety.

An Olympian came to visit and the children completed fitness circuits with her and she talked about her journey as an athlete.

Reception children had sessions on using a balance bike, Y3 visited Chester as part of their Romans topic and Y6 were involved in a workshop called Breaking Barriers which will support them with transitioning to high school.
