Building a Bright Future Together

End of school year update

I would like to take this opportunity to thank you all for your continued support this year. You have supported the school with fundraising activities we have done for charity and you have supported your children by attending parents' evenings, parent workshops and showcasing events. More recently, you helped to raise over £4,000 at our summer fair which will go back into the school budget for your children.

We have several staff leaving us at the end of term. Mrs Patel and Mrs Kazi, who work in reception and Mrs Patel and Miss Riaz who work in nursery. They will all be missed and we wish them all the very best in the future. We would like to take this opportunity to thank them all for their hard work during their time at Sunning Hill.

The list below shows the new class teachers from Y1 -> Y6 for September and each year group will be supported by teaching assistants.

End of Term Assessments & Reports

You will be receiving your child's report in the last week of term. This report is an evaluation of your child's progress up to the end of the summer term. It is based on various pieces of information including teacher assessment and observations, class work, knowledge and understanding, development of key skills and test outcomes. There will be an online form, on the parent tab on our school website, for you to complete your parental comments. Your feedback is always appreciated.

School Uniform Reminder

At Sunning Hill we do allow children to wear trainers. If your child chooses to wear trainers only **plain black or dark blue** can be worn. They **MUST** not contain any other colours (a white sole is acceptable). Children are not allowed to wear AstroTurf trainers for school.

What to do over the holidays

Over the holidays there are lots of activities happening at different places and support for families through food banks. HAF funding supports children and families on benefits related to Free School Meals with free fun, creative sessions. Offering sports, games, physical activity and food during the school holidays.

There are also lots of free activities, food sessions and family events which are open to all young people. Please visit our school website on the parent page to find out more information.

Outcomes and Achievements

In the summer term our Y1, Y4 and Y6 children have to take statutory tests. We are really proud of their outcomes and wanted to share these with you.

93% of our Y1 children passed their phonics screening test and 63% of our Y4 children achieved full marks on their multiplication check.

In our KS2 tests: 69% achieved at the standard and 27% achieved above the standard in reading, 75% achieved at the standard and 24% achieved above the standard in writing, 78% achieved at the standard and 44% achieved above the standard in grammar and 80% achieved at the standard and 49% achieved above the standard in maths.

We are really proud of how hard they have worked and the resilience they have shown to do their best. Well done everyone.

All our staff would like to wish you all a safe and happy holiday and we look forward to welcoming the children back on **Monday 2nd September**.

Please remember that if you have any concern regarding your child, no matter how small, please do not hesitate to get in touch. We are always keen to ensure that all our pupils are happy and settled in school.
